

[www.I-ThETA.org](http://www.I-ThETA.org)

I-ThETA is an informal, non registered network for professionals working in the substance misuse fields and for those staff in generic services who are frequently confronted with substance misuse problems.

**I-ThETA aims to -**

**Improve the availability and quality of evidence-based preventive, therapeutic and harm-reduction interventions**

**Inform all concerned about the relevant models, options, trends and evidence base for effective education and training**

**Thereby -**

**Promoting the competence, professional status and recognition of staff in the substance misuse field.**

Join our online forum to discuss topics and share good practice. Find out what's happening in substance misuse education and training throughout the world.

**Visit [www:I-ThETA.org](http://www:I-ThETA.org) to find out more!**
